## Live2Lead is an annual leadership gathering

developed by The John Maxwell Company. For five years, Live2Lead has shared leadership and personal growth principles to a live audience and over 300 simulcast locations around the world. This year, Guam joins that global party.

Attendees learn from renowned leadership experts in various industries, gain new perspectives on relevant topics, and leave prepared with practical tools to maximize their leadership abilities and trajectories. We guarantee that our attendees leave equipped and excited to lead and create change with renewed passion and drive.

This year, on October 11, Live2Lead's Atlanta-based live site will host 2,400 ambitious leaders and teams from in and around Atlanta in industries ranging from healthcare, education, real estate, restaurants and franchises, to law firms, hotels/hospitality, financial services, and more. You will gain from their intentional outreach to grow leaders. Most of the 300 sites in the U.S. and around the world offer a delayed showing of this exceptional program.

Past speakers of Live2Lead include Simon Sinek, Dave Ramsey, Cheryl Bachelder, Warrick Dunn, Linda Kaplan Thaler, Dan Cathy, Patrick Lencioni, Liz Wiseman, and Valorie Burton. This year, our speakers will include John C. Maxwell, Angela Ahrendts, Chris Hogan, Rachel Hollis and Chris Hogan.

**We are inviting you to engage with a group of intentional leaders. This opportunity will allow you to represent your organization as a promoter of growth, personal development and leadership. Each package is intended to serve YOU. Please let us know if there is any way we can better customize your package.**

## Refund Agreement

1. We understand that unforeseen circumstances may cause an individual and even an organization to change their plans to attend. We have designed this agreement to be fair to both parties if that takes place.
2. Refund requests will usually take three business days to process. We will generally return funds in the same way you paid. In example, back through your credit card, or by check, etc.
3. Tickets refunded PRIOR TO October 31 at 5:00 pm will be paid in full, less any credit card or other processing fees we may be assessed. We'll tell you what they are if that happens.
4. Ticket holders requesting a refund AFTER October 31 at 5:00 pm will receive a return of funds, less \$65.00 per ticket to cover food and beverage service plus administrative charges. There may also be credit card and/or other processing fees that we are assessed and must collect.
5. Explanation: We believe in being transparent in how this works. We must give the hotel a guarantee for the number of attendees seven days prior to the event and pay that money, per person, to cover the food, beverage, and venue charges. Thus, once the final attendee count is given to the hotel — at the close of business on October 31 — we must pay for all persons covered by your purchase, even for those who don't attend. This is how a hotel controls its costs and is normal in the event business. The administrative fee is incurred because we will already have printed the workbook and the certificate of professional leadership development for each attendee, and will have to process the refund.
6. In summary, if you decide to cancel your reservation and request a refund after October 31 at 5pm, we still have expenses in connection with your reservation. Therefore, you will receive a partial refund as described above. As stated, we designed this agreement to be fair to both you and us.
7. Please initial that you have read, understand, and agree to these terms: \_\_\_\_\_
