1055 Movie Quotes Worth Remembering

If you're a fan of the movies, no doubt you've seen a number of quotations that are worth remembering, and repeating. You may not have seen all the movies I'll mention today, or recall all of the quotes, but I'm sure what was said will resonate with you. I'm Jerry Roberts, and that's next on The Extra Point.

Well known quotes that are worthy of filing away in our storehouse of wisdom. We've got a bunch, and here we go.

"Great moments are born from great opportunity." — *Herb Brooks, Miracle*

"If you want to know what a man's like, take a good look at how he treats his inferiors, not his equals."
— *Sirius Black, Harry Potter and the Goblet of Fire*

"The day I am afraid to risk my future as a leader is the day I am no longer fit to lead."
— *Nelson Mandela, Invictus*

"A compass, I learnt when I was surveying, it'll...it'll point you true north from where you're standing, but it's got no advice about the swamps, deserts and chasms that you'll encounter along the way. If, in pursuit of your destination, you plunge ahead heedless of obstacles, and achieve nothing more than to sink in a swamp, what's the use of knowing true north?"
— *Abraham Lincoln, Lincoln*

The world ain't all sunshine and rainbows. It is a very mean and nasty place, and it will beat you to your knees and keep you there permanently if you let it. You, me, or nobody is gonna hit as hard as life. But it ain't how hard you get hit; it's about how hard you get hit, and keep moving forward."
— *Rocky Balboa, Rocky*

"After a while, you learn to ignore the names

people call you and just trust who you are."

— *Jack Dawson, Titanic*

"When I despair, I remember that the way of truth and love has always won. There may be tyrants and murderers, and for a time, they can seem invincible, but in the end, they always fall. Think of it: always."
— *Mohandas Gandhi, Gandhi*

"A good plan today is better than a perfect plan tomorrow."
— *Conrad Brean, Wag the Dog*

"It is the small, everyday deeds of ordinary folk that keeps the darkness at bay — small acts of kindness and love."

— *Frank Abagnale Sr, Catch Me If You Can*

"Sometimes it is the people no one imagines anything of who do the things that no one can imagine."
— *Joan Clarke, The Imitation Game*

"Some people can't believe in themselves until someone else believes in them first."
— *Dr Sean Maguire, Good Will Hunting*

We end with a short series from Mr. Miyagi
and The Karate Kid.

forget."

"Fighting always the last answer to the
problem."

"Ambition without knowledge is like a boat on
dry land."

And let me restate that in terms of what I tell
everyone I have the honor and privilege to
train...

"Knowledge without taking action on it is a
complete waste."

"It's okay to lose to opponent. Never okay to
lose to fear."

"The answer is only important if you ask the
right question."

"Man who catch fly with chopstick, accomplish
anything."

That's the Extra Point. Be responsible and
make something good happen today. For 93.3
