1089 Quotations: Setting and Achieving Goals

Today, what a bunch of famous folks have said about setting and achieving goals. I'm Jerry Roberts and that's next, on The Extra Point.

The topic is goals, and we've got some great views on setting them and getting them.

1. *"If you want to be successful, set a goal that's out of your reach."*
— Jack Welch, CEO of General Electric

2. *"Don't wait for the perfect moment. The perfect moment will never come. If you're waiting for it, it will never arrive. Just do it."*
— Unknown

3. *"Successful people set goals. They don't just see what they want. They imagine what they won't be able to do five years from now, and then they take the steps to get there."*
— Author and leadership guru, Simon Sinek

4. *"If we were only to set our goal as making progress in the conventional sense, then we would never accomplish anything."*
— Professor Albert Einstein

5. *"Without a goal, life is just a series of random acts."*
— Arthur Ashe, tennis champion and activist

6. *"Goals are what give your life meaning."*
— Artist Michelangelo

You don't have time for goals? I wish you could talk to the artist who spent four years standing on scaffolding, reaching up and straining while painting the Sistine Chapel.

7. *"Some people set their goals too high, some don't set them high enough, and some don't set any."*
— Author J.K. Rowling

We'll finish today with one more from Rowling that blows the doors off indecision to set goals.

8. *"You can never cross the ocean until you have the courage to lose sight of the shore."*
— Business icon John D. Rockefeller

9. *"You're never too old to set a new goal or to dream a new dream."*

— Gail Devers, Olympic gold medalist

11. *"Nothing in the world is impossible, the word itself says 'I'm possible'"*
— Actress Audrey Hepburn

12. *"It's not easy, but it's what you make of it. The only difference between the person who succeeds and the person who fails is the person who fails doesn't quit."*
— Basketball legend Michael Jordan

13. *"If you set your goals high enough, you will never be disappointed."*
— Investor Warren Buffett

14. *"The only thing standing between you and your goals is the BS story you keep telling yourself."*
— J.K. Rowling, who lived in her car, then introduced Harry Potter to the world and became a billionaire.
