1182 There's a Certain Loyalty About Quotations

It's a true gift that we give to each other. All of us want it. All of us should desire to give it. I'm Jerry Roberts, and I've got the details on this, next, on The Extra Point.

The gift we all should appreciate receiving and be looking to give is loyalty. A group of notable folks thought it important enough to comment on, and we've got those quotations. See if you find some things in the following that you can connect with.

1. *"Trust is earned, respect is given, and loyalty is demonstrated. Betrayal of any one of those is to lose all three."*

— Ziad K. Abdelnour, investment banker

2. *"Outside of love, no two things are more valued in another person than trust and loyalty."*

— Zig Ziglar, motivational speaker and author

3. *"The best gifts to give: To your friend, loyalty; To your enemy, forgiveness; To your boss, service; To a child, a good example; To your parents, gratitude and devotion; To your mate, love and faithfulness; To all men and women, charity."*

— Oren Arnold, journalist and novelist

4. *"Those who don't know the value of loyalty can never appreciate the cost of betrayal."*

— Anonymous

5. *"You don't earn loyalty in a day. You earn loyalty day-by-day."*

— Jeffrey Gitomer, sales expert

6. *"You can buy a man's time; you can buy his physical presence at a given place; you can even buy a measured number of his skilled muscular motions per hour. But you cannot buy enthusiasm... you cannot buy loyalty... you cannot buy the devotion of hearts, mind or souls. You must earn these."*

— Clarence Francis, international expert on food

7. *"Loyalty is the strongest glue which makes*

a relationship last for a lifetime."

— Mario Puzo, author

8. *"Loyalty is what makes us trust. Trust is what makes us stay. Staying is what makes us love, and love is what gives us hope."*

— Glenn van Dekken, energy strategist

9. *"Loyalty to the country always. Loyalty to the government when it deserves it."*

— Mark Twain, humorist

10. *"You cannot get me to be disloyal to a friend. You just can't do it. Loyalty is a part of what I live by. I didn't say I was going to be loyal to my friend because he was right. I'm going to be loyal to my friend because he's my friend."*

— Jim Brown, NFL running back and actor

11. *"Love is friendship that has caught fire. It is quiet understanding, mutual confidence, sharing, and forgiving. It is loyalty through good and bad times. It settles for less than perfection and makes allowances for human weaknesses."*

— Ann Landers, newspaper columnist

12. *"Be loyal to those who are not present. In doing so, you build the trust of those who are present."*

— Stephen Covey, author and speaker

13. *"Animals are reliable, many full of love, true in their affections, predictable in their actions, grateful and loyal. Difficult standards for people to live up to."*

— Alfred Armand Montapert, electrical engineer
