

THE EXTRA POINT

BY JERRY ROBERTS

1192 Quotations: Reliable or Unreliable?

There are words that most people like to hear in association with their name. Words such as dependable, responsible, accountable, and reliable. No doubt all those words feel good when we hear them from the boss, I'm Jerry Roberts, and today we grab one of those and see what a whole bunch of folks had to say about it. That's coming next, on The Extra Point.

We like it in every part of our life — things and people we can count on. We look for reliability and, in fact, we count on it. Reliability extends across all races, genders, and generations. Let's dig in.

1. *"Reliability is the precondition for trust."*
— Wolfgang Schauble, lawyer and politician
2. *"A man who lacks reliability is utterly useless."*
— Confucius, philosopher
3. *"Reliability creates credibility."*
— Gerald Brooks, pastor
4. *"Leaders should be reliable without being predictable. They should be consistent without being anticipated."*
— Mike Krzyzewski, basketball coach
5. *"Reliability is the quality that leads others to not just believe you, but to believe in you."*
— Unknown
6. *"Your personal brand is a promise to your clients... a promise of quality, consistency, competency, and reliability."*
— Jason Hartman, marketer
8. *"The patriot volunteer, fighting for country and his rights, makes the most reliable soldier on earth."*
— Stonewall Jackson, Confederate officer
9. *"The most reliable way to predict the future is to create it."*
— President Abraham Lincoln

10. *"Creativity isn't worth a thing if it isn't served with an equal amount of reliability."*
— Anton Peck, artist

11. *"A reliable person will deliver reliable work."*
— Otto Kroesen, professor of cross-cultural entrepreneurship

12. *"Don't be reliable only when it's convenient."*
— Unknown

13. *"Show up. Be consistent. Do what you say. Give more than you take."*
— Unknown

14. *"If your actions don't live up to your words, you have nothing to say."*
— DaShanne Stokes, sociologist

15. *"Being desirable is the sum total of being both available and reliable. Available + Reliable = Desirable."*
— Constance Chuks Friday, author

16. *"My sources are unreliable, but their information is fascinating."*
— Ashleigh Brilliant, artist and writer

17. *"Definition of Statistics: The science of producing unreliable facts from reliable figures."*
